HOW DOES YOUR SPONSORSHIP HELP?

\$5,000 Connect 250 kids to nature by funding a school field trip for 12 classrooms

\$2,500 Connect 125 kids to nature by funding a school field trip for 6 classrooms

\$1,000 Provides 5 environmental education programs to the community

\$500 Purchases 25 compasses or bug catching kits for our little explorers

Bubolz Nature Preserve welcomes over 80,000 visitors annually and serves the community as a recreation destination and environmental learning campus. Your contribution supports growth in environmental education programs, giving children access to the power of learning inside a living classroom surrounded by nature. Donors like you are making great things possible and bringing the wonder of nature to families, schools and the community. We are supported 100% by program fees, memberships, rentals, grants, donations, and gifts from individuals and corporations.
