

WHAT DO FIELD TRIP DAYS LOOK LIKE?

HALF DAY FIELD TRIPS:

Half Day field trips run from
9:30am-11:30am or 12-2pm with one program topic

Add a recess to end your field trip day! You can
ask for this on your request form.

Please arrive no more than 10 minutes prior
to your field trip time.

In those 1.5 - 2 hours of programming we will take
a bathroom break before starting or halfway through the program.

Lunch is not included within the programming time

If you would like to do lunch at the preserve prior to
starting your program or after your program,
please let our staff know this.

Full Day Field Trips:

A full day field trip typically runs from **9:30am-2pm.**

A full day field trip includes 2 program topics and a minimum 30 minute lunch break. If you want a recess included into the day, please let us know!

9:30am-11:30am - Students participate in first program topic

11:30am-12pm - Students and staff enjoy lunch, inside or outside weather dependent.

12pm-2pm - Students participate in second program topic

If there are two or more classes attending, classes will switch program topics after lunch.

These times reflect our start time and wrap up time, not arrival and departure.

Please arrive no more than 10 minutes prior to your field trip time.

****Individualized schedules for your field trip date will be sent in final confirmation emails****
